How to play:

Print and cut apart the 30 calling cards, and the 6 playing cards.

For best results, print on heavy cardstock or laminate after printing.

Distribute a playing card to each player along with 25 place markers.

The place markers can be small objects such as M&Ms, coins, buttons, e.t.c

Place the calling cards face down in a bowl. The caller should pick one calling card from the bowl and announce what the card says, or show the card to the players. Any player who has that image on their card should mark it by covering it with the place markers.

To win: A player must fill 5 in a row or column, and shout BINGO!

Continue calling the cards until someone shouts BINGO!
